Overview:

The most popular exhibit in the history of Houston's Museum of Natural History moves to Seattle, Washington next month. Join us for this informational "farewell" to a direct link to mankind's past and her roots, and the lasting legacy of Lucy on Ethiopia and the world. And look forward to the future of Ethiopia as Lucy moves on. Ethiopia's population of over 77 million people makes it the second most populous country in Africa. It has been among the top ten U.S. markets in sub-Saharan Africa over the last several years. Discover international business projections on Ethiopia and the future of this vibrant country, and learn new insights into what the Greater Houston Partnership has done to help and what it plans next.
